How can I be free when I have so much to do?

There's hope! We don't have to be lying on a beach in the Caribbean to experience true freedom. These Women of Faith authors know that firsthand. Marilyn Meberg and Luci Swindoll know relationships and responsibilities can close in on us until we feel like we can't breathe. But they've also figured out how to experience real life with an inner freedom that changes everything.

Pick up your copy tonight - stop by the bookstore located near the Fellowship Hall.
